The recent increases in acting and non-acting membership have relieved the treasurer of the air of alarm and despondency with which he once viewed the future. Nevertheless there are still a few vacancies for acting membership, and the Club is, of course, prepared to accept any number of applications for non-acting membership. We can always increase the number of performances.

Non-Acting Membership - 7s/6d a year.
This entitles you to a free 3s/6d seat for each production.

Acting Membership - 10/- a year.
Apply now to the Membership Secretary, Mr. Eric Voce, for particulars about auditions.
