

The recent increases in Acting and Non-Acting Membership have relieved the Treasurer of the air of despondency and alarm with which he once viewed the future. Nevertheless there are still a few vacancies for Acting Members, and we shall, of course, be prepared to accept any number of applications for Non-Acting Membership. We can always increase the number of performances.

Non-Acting Membership. 7/6d per year.
This entitles you to a free 3/6d seat for each production.

Acting Membership. 10/- per year.
Apply now to the Membership Secretary, Mr. Eric Voce for particulars about auditions.
