THE QUESTORS . . .

is an amateur theatre club, founded in 1929, and now acknowledged as one of the leading Little Theatres in England. It aims at presenting the best of the old drama and the most promising of the new.

The Questors are also engaged in building an exciting Theatre Centre which is now being brought into use, part by part, as it is completed. Before long the construction of the new theatre itself will be under way. The whole project has aroused the interest of the theatrical and architectural professions here and overseas.
