### **The Song Settings**

The music for 'Come Away Death' was composed by Daniel Beilby for the production of 'Twelfth Night' currently running in the Judi Dench Playhouse (don't forget to get your ticket.)

The setting of 'Full Fathom Five' is by Robert Johnson, and was almost certainly composed for the first performance of 'The Tempest'.

The setting of 'Fear No More' is by Roger Quilter.

**Thanks to:** Stuart Watson, Jane Arnold-Foster and all the cast and crew of 'Twelfth Night', for allowing us to perform on their set; Gary Reid; Andrea Bath and everyone in the Office; Dotti Lawson; Anne Gilmour; Jo Matthews; Chris Smith
