"Oh! MY POOR LEGS"

I simply must sit down!"

Poor circulation is the cause of many everyday ailments, particularly those affecting the lower limbs—rheumatism, swollen ankles, aching feet, and weariness and heaviness in the legs. Sluggish circulation may also mean tiredness and depression. By putting new life into the bloodstream, ELASTO goes right to the source of these troubles and the improved circulation, which quickly follows, brings lasting relief to leg-sufferers. ELASTO is pleasant, economical and effective; it tones up the whole system and helps you to remain young.

— An Item of Interest —

The first production in the new theatre is now in rehearsal and excitement is rising in anticipation of ALFRED EMMET'S production of "BRAND". RAYMOND MOSS will play the title role and FRANGCON WHELAN and JAN KENNY will be seen as Agnes and Gerd respectively.

By the end of this week all members should have received a form inviting them to take part in the ballot for seats for the opening and Gala performances. As this form must be returned to me not later than first post on Monday, 2nd March, you are advised to contact the theatre immediately if you do not receive your form.

If you are unsuccessful in the ballot you will be able to book your member's free seat during the rest of the run which finishes on 28th April. You are advised to book early and it would be appreciated if you will BOOK BY POST.

Meanwhile you can play your part in ensuring the success of Questors by spreading the word and telling your friends, relations and colleagues of the advantages of joining Questors. Our aim is 3,000 members by April—I DO HOPE YOU WILL HELP US IN ANY WAY YOU CAN. There is always a big welcome in Mattock Lane for active members—WOULD YOU LIKE TO PARTICIPATE?—Tony Clayton.
