

The Questors Theatre
Presents a QExtra Event

Monday 28 January 2019

Four short plays looking at the darker side of social media.

Love it, or loathe it, social media is part of modern life. Friendships are formed and played out in cyberspace. The internet brings us together, and sometimes tears us apart. Points are made, grudges are pursued, scores are settled. All online. It is the medium perfect for revenge.
